Pre-press

The Mohn media pre-press department consists of a 200 strong team of graphic designers, typographers, technicians and engineers who cover the entire range of pre-press services from design to handing of data. As a customer you will be supported by highly qualified specialists who are often educated in-house and who receive constant further training.

That's how we maintain our high standards of quality and ensure that your print job is always in the best of hands.
